

RAKESH S

ML & DL ENTHUIAST | FREELANCER | WEB DEVELOPER

Contact

Address:

14th 2nd b cross katriguppa main road
srinivasa nagar Bangalore-85

Phone:

+91 9606502760

Email:

rakesh123410101999@gmail.com

Skill

- Python3 
- Web Developer 
- Numpy 
- Tensorflow 
- Keras 
- Freelancer 

Languages

- English 
- Kannada 
- Hindi 

Hobbies

- Web Developer 
- FreeLancer 
- Tech Hobbies 
- Music 

Objective

An individual whose main concern is to learn the cutting edge technologies and apply it in the life situations and observe the outcomes and hopefully make lives better

Research

To understand Quantum superposition and Quantu Entanglement behaviours of the subatomic particles and quarks and how ML and DL can be applied to the field Quantum

Education

KSSEM

Pursuing B.E UG courses with computer science enginerring finished 5th semester with CGPA 7.6 till now

Experience

Machine Learning – jan/2018 to jun/2018

Image Reconization

-> Image processing using Tensorflow and Keras

Artificial Inteligence – Aug/2019 to Present

Building Characters

-> Buiding the characters with the AI

Web Development – Aug/2018 to jan/2019

Websites

-> Building with the user interfaces websites

COVID-19 – jan/2020 to Present

Corono Virus

-> It Predicts wheather a person having corona virus or not

An Android App – jun/2019 to aug/2019

Android app

-> Builting with Adobe app , Android Studio with Raddle Ball, Music app.
